

Tibetan Terrier World Congress 2020 (France)

Dear Tibetan Terrier Club or enthusiast,

For the very first time France will welcome the Tibetan Terrier World Congress. We are all looking very much forward to this great event with pride and joy. The Congress is being organized by the Club des Chiens Tibétains de France (CCTF) i.e. the French Tibetan Breeds Club under the aegis of the Société Centrale Canine (SCC) i.e. the French Kennel Club.

In order to give a folder to each participant we count on the help of all our friends responsible for the breed to transmit us the last BIS of their club show as well as a summary of the following points in their respective countries: what are the modalities and the training to become a judge? What is the rule to become a champion? What are the birth statistics? Give a brief update on the health and finally tell us about the specific activities of the breed. Please keep your report to 2 double sided A4 sheets.

Thank you in advance for all your contributions.

Please send these reports to the following address: tt.worldcongress2020@gmail.com before June 2020.
